'Roots to grow, wings to fly'

Dear Parents

As history lead, I am writing to you to find out if you have any historical knowledge or links we could utilise in school. We are keen to use all kinds of interesting resources including family members, friends, and artefacts to enrich the children in history. It would be great to have more visitors in school to share what they know! Even if you would not feel comfortable coming in to talk to a class then perhaps you could relay information through your child or send in information. It could be anything; some ideas include history of Wickwar, Yate, wars, Egyptians, Celts, historic events, Romans, famous people etc. I would be extremely grateful if you would fill out the questions below or email to let me know if you have something to share.

Many thanks,

Miss Helen Tyler
