

# Learn more about Children's University!

Children's University is a charity that works in partnership with schools to develop Character, Wellbeing, and a love of learning in children from age 5 upwards. We do this by encouraging and celebrating participation in extracurricular activities in and outside school.

Children who participate in Children's University have the opportunity to learn in a rich range of contexts, experience unexplored places, visit universities and attend their own graduation ceremonies; embedding the language of higher education and lifelong learning in their experience.

Regular challenges happen every half-term. These are sent out before the half-term holidays. Ask your teachers for the stamp code when you return from break.

If your child attends any outside activities, contact [CU@uwe.ac.uk](mailto:CU@uwe.ac.uk) and provide the club leader's name and email address and we can invite them to join for free.

Any extra activities done at home (e.g. baking, arts and crafts), send evidence to [CU@uwe.ac.uk](mailto:CU@uwe.ac.uk) for a stamp code.

**Any time your child participates in an extracurricular club/activity, or completes a half-term challenge activity:**

**Record it in your Learning Passport:**

- Show proof of the activity to receive a stamp code from their teacher, from [CU@uwe.ac.uk](mailto:CU@uwe.ac.uk), or at their Learning Destination.
- Record the stamp code in your Learning Passport, it is a colour followed by a series of 4 numbers.
  - The Learning Passport is for your records and for your child to keep to show how amazing their progress is!

**Add it to Children's University Online:**

- In order to record the hours towards their graduation, add the activity and stamp codes to Children's University Online.
  - Login information (names and passwords) are provided by the school.
- All online records of activities and stamps need to be completed in the spring to be included in their total hours for graduation.
- Need a code? For school activities, ask the school! For anything else, email [CU@uwe.ac.uk](mailto:CU@uwe.ac.uk)

Any activities done at the Bristol and South Gloucestershire Libraries earn these stamp codes:

Bristol Libraries- BLUE 6389

South Gloucestershire Libraries- PURPLE 9715

Does your child participate in swimming lessons? Use this stamp code- BLUE 7504
