From the Headteacher...

We have enjoyed a lovely few sunny weeks at school. The children have been really sensible about wearing sun hats and sun cream. Thank you.

#### Celebrations and latest news

- New reception visited for a story on 28<sup>th</sup> June.
- Year 3 attended a science day at UWE. They really enjoyed the activities and we received very positive feedback from the UWE team about the engagement and behaviour of our children. We are proud of them for representing our school so well.
- 'Congratulations to our swimming catch up group, who attended Thornbury Pool for 5 consecutive afternoon sessions recently. The staff at the pool commented on how exceptionally well-behaved the whole group were and said that they were a pleasure to teach. Well done to you all!
- The children have taken part in shuffle up sessions this week. They have conducted themselves well and the teachers have enjoyed getting to know their new classes. During the week, the children have produced an outcome with a focus on friendship to display in their new classrooms at the start of the year.
- Reception visited Redwood for the final time this year.
- The children are preparing for their end of project outcomes in the coming few weeks. We are looking forward to seeing the final results of their projects.
- Teachers and TAs are working hard in planning their new projects for the autumn term. They presented the first draft to each other in the staff meeting this week and will now be going away to tweak and finalise the next version of the draft to go to subject leaders and Mrs Windmill for feedback. There are some exciting opportunities for the children ahead, to inspire them in their learning.

INSET dates: INSET 5 – **Monday 8<sup>th</sup> July 2019**. Our INSET dates for next year will be **Monday 2<sup>nd</sup> September 2019, Friday 20<sup>th</sup> December 2019, Monday 6<sup>th</sup> January 2020, Friday 3<sup>rd</sup> April 2020 and Friday 3<sup>rd</sup> July 2020**.

#### **What's coming up soon?**

- INSET Monday 8<sup>th</sup> July – transition meetings for handing up assessment, learning, SEN and pastoral information to the next teacher.
- New Reception children visiting on 10<sup>th</sup> July.
- Annual school reports go home to parents on Friday 12<sup>th</sup> July
- Wickwar Games, 13<sup>th</sup> July. Including FoAHS Fun Run. We hope to see you there.
- Leavers' Lunch - Monday 15<sup>th</sup> July
- Disco - Tuesday 16<sup>th</sup> July.
- Y6 end of year performance Monday 15<sup>th</sup> July
- Prince William Award graduation for Y4 pupils Friday 19<sup>th</sup> July.
- End of school year Tuesday 23<sup>rd</sup> July

### LED Lighting

Last year, we invested in having many of our ceiling lights updated to LED, which is more eco-friendly and provides a better quality light for the children to learn in. This was a big project and we were given some financial assistance to be able to do as many rooms as we could at this time. All classrooms were done at this time.

We are really pleased that we will be able to update the next round of lights in the near future, thanks to the local wind turbine providers.

The REMR Community Resilience Fund Advisory Panel met recently to review all applications received this round. **Our application (on behalf of Alexander Hosea Primary School) was carefully considered by the Panel and ... a grant award of £4226 has been allocated.**

We are extremely grateful to REMR for their significant contribution to the works. We are now in negotiations with South Glos and hope to be able to book the project soon (which we hope will include the Library, Learning Lab, Y3/4 corridor and Y5/6 art space and possibly the Blue Room too).

### New kitchen!

We have been in discussions with South Glos Council about the condition of our existing school kitchen environment, as the paintwork and flooring needed to be addressed.

We are delighted that it has now been confirmed that this job will be happening this summer. The entire kitchen will be removed, so that the space can be redecorated and a new floor laid, before all the equipment is put back.

As you can imagine, this is a huge project and we are very grateful to South Glos council for providing funds to enable us to be able to do it.

During the summer the staff car park will not be accessible to visitors as the company carrying out the works will need full access.

It is planned that the car park and kitchen will be back to full use for the start of the new school year. Deb, Antonia and Emma in the kitchen are looking forward to having a better working environment and maybe even a dishwasher!

### Safe Parking Reminder

Our neighbours on Honeybourne Way have requested that parents/carers do not park across driveways, nor on the Keep Clear road markings.

Please can all drivers be considerate to our neighbours and make sure that all Keep Clear areas are clear at all times (including on rainy days) as it affects the safety of pedestrians and local residents. Thank you.

### Reports

The annual reports will be coming home next week. We are all very proud of the children for their hard work and for behaving so well this year.

The attendance % for the year is at the bottom of the front page – the bands are below for your information. Good attendance and punctuality is important, so that children develop good routines and can access all the learning and social experiences on offer at school.

<=89.9%	90-94.9%	95-96.9%	97-100%
Persistent absentee	Satisfactory	Good	Excellent

Our school attendance average for the year is 97%, which we are very pleased with. Thank you for making sure your child(ren) are here every day and on time.

### Leavers' Lunch

The Y6 children have chosen the menu for Monday 15th July as their leavers' lunch. On this day the menu will be:

cheese and tomato pizza, chips with baked beans or sweetcorn

chocolate fudge cake, yoghurt or fruit

### School Meal Price increase for KS2 from 2 September

Integra Catering who supply our school meals have informed us that school lunches for KS2 pupils will be increasing from September. The cost of a pupil meal will now be £2.30 per day, £11.50 per week. Toast will remain the same at 10p however fruit tuck is increasing to 25p per day.

### Current Topaz, Ruby and Jet Classes

E Safety and Home School Agreement forms for the children moving into new key stages are coming home. Please sign with your child and return to the office as soon as possible. Thank you

Please make sure that all children have a bottle of water, sun cream (applied at home before school) and a hat.

As we are having a strange summer, it is also sensible to have a foldaway rain jacket in school bags every day.

Children are allowed to wear sunglasses in the playground/field at lunch and breaktime.

Please ensure that all additional items (including sunglasses) are clearly named, so that any lost items can be returned to the owner.

## Nut allergies

As we have a number of children in the school with nut allergies, please can we remind families not to send items into school that contain nuts. This includes snacks and spreads in lunchboxes.

Thank you for your co-operation

## Archery Event

Every year at Alexander Hosea School, we aim to give the children the opportunity to experience an inclusive sport, which they may not have had the opportunity to try before.

This year I have arranged for every child to have a 30 minute archery session. The children will be going to try this sport in small groups.

Our archery event will take place on both Wednesday 17<sup>th</sup> July and Thursday 18<sup>th</sup> July 2019.

I am sure all of the children will have a fantastic time becoming excellent archers!

Mrs Rehman - PE Leader

## Fencing update

This summer (after the end of term), we will be replacing the run of fencing which borders to top right hand side of our school field and the public footpath.

The current fencing is low and has seen better days, so we will be replacing it with higher, better quality fencing (the same style as the pedestrian entrances to either side of our building and the other areas that we updated on the field last summer).

## Spare unwanted uniform

If you have any good quality spare unwanted uniform that no longer fits your child, please donate it to the school. This really helps out younger children in our community, who might need the next size up.

Please remove your child's name from the label (leaving the size visible if you can) and hand into the school office. Thank you.

Our local library have been telling children how they can take part in **Space Chase**, the Summer Reading Challenge 2019.

The children will tell you all about it! All they have to do is read SIX Library books and visit the library regularly over the summer, collecting special stickers and incentives along the way.

Please encourage your children to visit the library and sign up so you can see the difference the Summer Reading Challenge makes to their reading.

FREE awesome activities: Fizz Pop Science, space & alien crafts and Lego Mindstorm Mars Rover Challenge with Aerospace Bristol.

### Current Topaz, Ruby and Jet Classes

E Safety and Home School Agreement forms for the children moving into new key stages are coming home. Please sign with your child and return to the office as soon as possible. Thank you

Please make sure that all children have a bottle of water, sun cream (applied at home before school) and a hat.

As we are having a strange summer, it is also sensible to have a foldaway rain jacket in school bags every day.

Children are allowed to wear sunglasses in the playground/field at lunch and breaktime.

Please ensure that all additional items (including sunglasses) are clearly named, so that any lost items can be returned to the owner.

## Nut allergies

As we have a number of children in the school with nut allergies, please can we remind families not to send items into school that contain nuts. This includes snacks and spreads in lunchboxes.

Thank you for your co-operation

## Archery Event

Every year at Alexander Hosea School, we aim to give the children the opportunity to experience an inclusive sport, which they may not have had the opportunity to try before.

This year I have arranged for every child to have a 30 minute archery session. The children will be going to try this sport in small groups.

Our archery event will take place on both Wednesday 17<sup>th</sup> July and Thursday 18<sup>th</sup> July 2019.

I am sure all of the children will have a fantastic time becoming excellent archers!

## Fencing update

This summer (after the end of term), we will be replacing the run of fencing which borders to top right hand side of our school field and the public footpath.

The current fencing is low and has seen better days, so we will be replacing it with higher, better quality fencing (the same style as the pedestrian entrances to either side of our building and the other areas that we updated on the field last summer).

## Spare unwanted uniform

If you have any good quality spare unwanted uniform that no longer fits your child, please donate it to the school. This really helps out younger children in our community, who might need the next size up.

Please remove your child's name from the label (leaving the size visible if you can) and hand into the school office. Thank you.

From the Headteacher...

We have enjoyed a lovely few sunny weeks at school. The children have been really sensible about wearing sun hats and sun cream. Thank you.

#### Celebrations and latest news

- New reception visited for a story on 28<sup>th</sup> June.
- Year 3 attended a science day at UWE. They really enjoyed the activities and we received very positive feedback from the UWE team about the engagement and behaviour of our children. We are proud of them for representing our school so well.
- 'Congratulations to our swimming catch up group, who attended Thornbury Pool for 5 consecutive afternoon sessions recently. The staff at the pool commented on how exceptionally well-behaved the whole group were and said that they were a pleasure to teach. Well done to you all!
- The children have taken part in shuffle up sessions this week. They have conducted themselves well and the teachers have enjoyed getting to know their new classes. During the week, the children have produced an outcome with a focus on friendship to display in their new classrooms at the start of the year.
- Reception visited Redwood for the final time this year.
- The children are preparing for their end of project outcomes in the coming few weeks. We are looking forward to seeing the final results of their projects.
- Teachers and TAs are working hard in planning their new projects for the autumn term. They presented the first draft to each other in the staff meeting this week and will now be going away to tweak and finalise the next version of the draft to go to subject leaders and Mrs Windmill for feedback. There are some exciting opportunities for the children ahead, to inspire them in their learning.

INSET dates: INSET 5 – **Monday 8<sup>th</sup> July 2019**. Our INSET dates for next year will be **Monday 2<sup>nd</sup> September 2019, Friday 20<sup>th</sup> December 2019, Monday 6<sup>th</sup> January 2020, Friday 3<sup>rd</sup> April 2020 and Friday 3<sup>rd</sup> July 2020**.

#### **What's coming up soon?**

- INSET Monday 8<sup>th</sup> July – transition meetings for handing up assessment, learning, SEN and pastoral information to the next teacher.
- New Reception children visiting on 10<sup>th</sup> July.
- Annual school reports go home to parents on Friday 12<sup>th</sup> July
- Wickwar Games, 13<sup>th</sup> July. Including FoAHS Fun Run. We hope to see you there.
- Leavers' Lunch - Monday 15<sup>th</sup> July
- Disco - Tuesday 16<sup>th</sup> July.
- Y6 end of year performance Monday 15<sup>th</sup> July
- Prince William Award graduation for Y4 pupils Friday 19<sup>th</sup> July.
- End of school year Tuesday 23<sup>rd</sup> July

### LED Lighting

Last year, we invested in having many of our ceiling lights updated to LED, which is more eco-friendly and provides a better quality light for the children to learn in. This was a big project and we were given some financial assistance to be able to do as many rooms as we could at this time. All classrooms were done at this time.

We are really pleased that we will be able to update the next round of lights in the near future, thanks to the local wind turbine providers.

The REMR Community Resilience Fund Advisory Panel met recently to review all applications received this round. **Our application (on behalf of Alexander Hosea Primary School) was carefully considered by the Panel and ... a grant award of £4226 has been allocated.**

We are extremely grateful to REMR for their significant contribution to the works. We are now in negotiations with South Glos and hope to be able to book the project soon (which we hope will include the Library, Learning Lab, Y3/4 corridor and Y5/6 art space and possibly the Blue Room too).

### New kitchen!

We have been in discussions with South Glos Council about the condition of our existing school kitchen environment, as the paintwork and flooring needed to be addressed.

We are delighted that it has now been confirmed that this job will be happening this summer. The entire kitchen will be removed, so that the space can be redecorated and a new floor laid, before all the equipment is put back.

As you can imagine, this is a huge project and we are very grateful to South Glos council for providing funds to enable us to be able to do it.

During the summer the staff car park will not be accessible to visitors as the company carrying out the works will need full access.

It is planned that the car park and kitchen will be back to full use for the start of the new school year. Deb, Antonia and Emma in the kitchen are looking forward to having a better working environment and maybe even a dishwasher!

### Safe Parking Reminder

Our neighbours on Honeybourne Way have requested that parents/carers do not park across driveways, nor on the Keep Clear road markings.

Please can all drivers be considerate to our neighbours and make sure that all Keep Clear areas are clear at all times (including on rainy days) as it affects the safety of pedestrians and local residents. Thank you.

### Reports

The annual reports will be coming home next week. We are all very proud of the children for their hard work and for behaving so well this year.

The attendance % for the year is at the bottom of the front page – the bands are below for your information. Good attendance and punctuality is important, so that children develop good routines and can access all the learning and social experiences on offer at school.

<=89.9%	90-94.9%	95-96.9%	97-100%
Persistent absentee	Satisfactory	Good	Excellent

Our school attendance average for the year is 97%, which we are very pleased with. Thank you for making sure your child(ren) are here every day and on time.

### Leavers' Lunch

The Y6 children have chosen the menu for Monday 15th July as their leavers' lunch. On this day the menu will be:

cheese and tomato pizza, chips with baked beans or sweetcorn

chocolate fudge cake, yoghurt or fruit

### School Meal Price increase for KS2 from 2 September

Integra Catering who supply our school meals have informed us that school lunches for KS2 pupils will be increasing from September. The cost of a pupil meal will now be £2.30 per day, £11.50 per week. Toast will remain the same at 10p however fruit tuck is increasing to 25p per day.

### Current Topaz, Ruby and Jet Classes

E Safety and Home School Agreement forms for the children moving into new key stages are coming home. Please sign with your child and return to the office as soon as possible. Thank you

Please make sure that all children have a bottle of water, sun cream (applied at home before school) and a hat.

As we are having a strange summer, it is also sensible to have a foldaway rain jacket in school bags every day.

Children are allowed to wear sunglasses in the playground/field at lunch and breaktime.

Please ensure that all additional items (including sunglasses) are clearly named, so that any lost items can be returned to the owner.

## Nut allergies

As we have a number of children in the school with nut allergies, please can we remind families not to send items into school that contain nuts. This includes snacks and spreads in lunchboxes.

Thank you for your co-operation

## Archery Event

Every year at Alexander Hosea School, we aim to give the children the opportunity to experience an inclusive sport, which they may not have had the opportunity to try before.

This year I have arranged for every child to have a 30 minute archery session. The children will be going to try this sport in small groups.

Our archery event will take place on both Wednesday 17<sup>th</sup> July and Thursday 18<sup>th</sup> July 2019.

I am sure all of the children will have a fantastic time becoming excellent archers!

## Fencing update

This summer (after the end of term), we will be replacing the run of fencing which borders to top right hand side of our school field and the public footpath.

The current fencing is low and has seen better days, so we will be replacing it with higher, better quality fencing (the same style as the pedestrian entrances to either side of our building and the other areas that we updated on the field last summer).

## Spare unwanted uniform

If you have any good quality spare unwanted uniform that no longer fits your child, please donate it to the school. This really helps out younger children in our community, who might need the next size up.

Please remove your child's name from the label (leaving the size visible if you can) and hand into the school office. Thank you.

From the Headteacher...

We have enjoyed a lovely few sunny weeks at school. The children have been really sensible about wearing sun hats and sun cream. Thank you.

#### Celebrations and latest news

- New reception visited for a story on 28<sup>th</sup> June.
- Year 3 attended a science day at UWE. They really enjoyed the activities and we received very positive feedback from the UWE team about the engagement and behaviour of our children. We are proud of them for representing our school so well.
- 'Congratulations to our swimming catch up group, who attended Thornbury Pool for 5 consecutive afternoon sessions recently. The staff at the pool commented on how exceptionally well-behaved the whole group were and said that they were a pleasure to teach. Well done to you all!
- The children have taken part in shuffle up sessions this week. They have conducted themselves well and the teachers have enjoyed getting to know their new classes. During the week, the children have produced an outcome with a focus on friendship to display in their new classrooms at the start of the year.
- Reception visited Redwood for the final time this year.
- The children are preparing for their end of project outcomes in the coming few weeks. We are looking forward to seeing the final results of their projects.
- Teachers and TAs are working hard in planning their new projects for the autumn term. They presented the first draft to each other in the staff meeting this week and will now be going away to tweak and finalise the next version of the draft to go to subject leaders and Mrs Windmill for feedback. There are some exciting opportunities for the children ahead, to inspire them in their learning.

INSET dates: INSET 5 – **Monday 8<sup>th</sup> July 2019**. Our INSET dates for next year will be **Monday 2<sup>nd</sup> September 2019, Friday 20<sup>th</sup> December 2019, Monday 6<sup>th</sup> January 2020, Friday 3<sup>rd</sup> April 2020 and Friday 3<sup>rd</sup> July 2020.**

#### **What's coming up soon?**

- INSET Monday 8<sup>th</sup> July – transition meetings for handing up assessment, learning, SEN and pastoral information to the next teacher.
- New Reception children visiting on 10<sup>th</sup> July.
- Annual school reports go home to parents on Friday 12<sup>th</sup> July
- Wickwar Games, 13<sup>th</sup> July. Including FoAHS Fun Run. We hope to see you there.
- Leavers' Lunch - Monday 15<sup>th</sup> July
- Disco - Tuesday 16<sup>th</sup> July.
- Y6 end of year performance Monday 15<sup>th</sup> July
- Prince William Award graduation for Y4 pupils Friday 19<sup>th</sup> July.
- End of school year Tuesday 23<sup>rd</sup> July

### LED Lighting

Last year, we invested in having many of our ceiling lights updated to LED, which is more eco-friendly and provides a better quality light for the children to learn in. This was a big project and we were given some financial assistance to be able to do as many rooms as we could at this time. All classrooms were done at this time.

We are really pleased that we will be able to update the next round of lights in the near future, thanks to the local wind turbine providers.

The REMR Community Resilience Fund Advisory Panel met recently to review all applications received this round. **Our application (on behalf of Alexander Hosea Primary School) was carefully considered by the Panel and ... a grant award of £4226 has been allocated.**

We are extremely grateful to REMR for their significant contribution to the works. We are now in negotiations with South Glos and hope to be able to book the project soon (which we hope will include the Library, Learning Lab, Y3/4 corridor and Y5/6 art space and possibly the Blue Room too).

### New kitchen!

We have been in discussions with South Glos Council about the condition of our existing school kitchen environment, as the paintwork and flooring needed to be addressed.

We are delighted that it has now been confirmed that this job will be happening this summer. The entire kitchen will be removed, so that the space can be redecorated and a new floor laid, before all the equipment is put back.

As you can imagine, this is a huge project and we are very grateful to South Glos council for providing funds to enable us to be able to do it.

During the summer the staff car park will not be accessible to visitors as the company carrying out the works will need full access.

It is planned that the car park and kitchen will be back to full use for the start of the new school year. Deb, Antonia and Emma in the kitchen are looking forward to having a better working environment and maybe even a dishwasher!

### Safe Parking Reminder

Our neighbours on Honeybourne Way have requested that parents/carers do not park across driveways, nor on the Keep Clear road markings.

Please can all drivers be considerate to our neighbours and make sure that all Keep Clear areas are clear at all times (including on rainy days) as it affects the safety of pedestrians and local residents. Thank you.
