Newsletter 4 - 19th October 2017

From the Headteacher...

In the past fortnight we have had a visit from Rev Ray about CRY Charity; had a new carpet fitted in the library; welcomed parents/ Carers to home learning and learning journal sharing; hosted a Macmillan coffee morning; had visitors in assembly to talk about 'Be safe, Be Seen' road safety and Year 3 have had a school trip to Cadbury World. We have definitely made the most of every minute!

Mrs Hathaway has been beavering away behind the scenes to develop a draft of the new house shield designs for the school hall (see opposite). I think they look amazing and skilfully apply the children's original designs. I cannot wait to see the final products.

We wish you all a happy and relaxing half term!

We would like to extend an invitation to parents of children who will be eligible to start school in September 2018. Deadline for applications 15th January 2018.

We need your help!

- Second call: We are very excited to announce that we have successfully applied for some free hedge saplings from the Woodland Trust! They should be arriving sometime in November and we are looking to put together a working party to plant them all. If this is something you could help us with, please contact allison.hall@sgmail.org.uk
- Second call: Please could we ask that cars are not parked in the drop off/pick up spaces at the front of the school at the end of the day. It would help the flow for everyone. Also avoid parking over the driveways of residents.

PAN – Pupil Admission Numbers

After careful consideration by the Governing Board over the past few years, the Governors have decided to propose to South Gloucestershire Council that our school pupil admission level reduces from 45 children to 30 children per year group. This change will reflect our current pupil levels, as we have 30 children or less in all year groups (except Year 6 which has 32 children), so that we can retain the high quality provision that we are able to offer for every year group.

With cohort intakes of 30 we would still be able to accommodate children living in the local Wickwar area, which is classed as our area of prime responsibility. Places would continue to be prioritised for local children. Currently we have a wider catchment area that we serve (Rangeworthy, Cromhall, Iron Acton, Chipping Sodbury, Yate and Peg Hill etc) - a 30 intake would still accommodate these children as they come into Reception for the foreseeable future too. Current pupils would not be affected.

We will keep parents/carers informed about the process as it proceeds via school newsletters.

If you have any questions that you think it might be helpful for me to discuss with Parent Council, please drop me an email to Debbie.williams@sgmail.org.uk with the subject 'School PAN'.

Tom Robson Visit 1st November

-  **Ruby** - being aware of others and how what you do or say, might make them feel
-  **Emerald** - bouncing back from mistakes and disappointment, and controlling your anger if it tries to get out!
-  **Sapphire** - keeping focused and staying in control of the monster distractions
-  **Diamond** - being able to notice a problem and thinking of ways to solve it

We are delighted that Tom Robson will be visiting us again on 1st November. During the day, he will spend some time training a group of children who will become experts in the gem powers and so known as 'Gemsters'. This will be followed by visits to as many classes as he can. In the evening, we would like to invite parents/carers to attend a meeting hosted by Tom Robson from 6-7pm. We hope that you will be able to attend. Please contact the school office to book your place.

Thank you to the Wickwar Endowment Fund for funding Tom's visits.

Home learning and learning journal sharing

It was wonderful to see so many parents/carers in school over the past fortnight, to look at the children's learning. During the visits, we had some very positive feedback about the quality of the learning; the learning environment and the value that parents/carers place on visiting the children in classrooms in the run up to parents' evening.

Charities and fundraising

We are approached by charities all the time and try to:

- Support those which the community hold dear.
- Not overload families with fundraising requests.
- Spread the events throughout the year.
- Choose events that the children will enjoy.

In Term 2 the focus will be on:

1. **Children in Need** (17th November). Children can bring round pounds and wear spotty clothes for a voluntary donation of £1.
2. **Poppy appeal** (in the run up to 11th November). There is usually a range of items to purchase from 20p for a poppy to £1.
3. **Tombola items** (w/c 20th November – for the Christmas Fair on 1st December).
4. **Christmas Jumper day** (15th December). Children can wear their own jumper for £1. Funds to go towards new books for the school library.

You can no longer spend your old pounds, but we can still collect them and put them to work changing young lives here in the UK. Millions of round pound coins are still in circulation. We're challenging the nation to hunt for them in saving jars, piggy banks, coat pockets and down the back of sofas, then put them to good use by donating to BBC Children in Need!

We're aiming to collect as many as we can before our big Appeal Day on **17th November**.

So hunt for your last round pounds and donate them to make them count!

Macmillan Cake Sale/Year of Computing Launch

The Macmillan Cake Sale was a success thanks to the Year 5 children, who were amazing ambassadors for the school. They shared their computing skills with the younger children and helped them to use Beebots, animation and Scatch. The total raised was £242.94. 70% of funds (£170) raised will go direct to the Macmillan charity and 30% (£72.94) towards resourcing/activities for the children in the Year of Computing.

Thank you to everyone for making the very impressive (and tasty) computer themed cakes and parents/carers who visited for the coffee morning.

In the news!

Did you see our article in the Gazette on 12th October?

We were delighted to feature on page 2 of the Gazette last week. Each class has a copy of the newspaper, so that they can read about the library opening. The carpet has now been laid and the room is ready for use by the children.

Henry (Y5) – 'I really like the sensory things and the lights'.

Hannah (Y6) – 'I like that there is more space to sit and look at the books. It is easier to find books now because it's more open'.

Emily (Y4) – 'I love the new decorations, the shiny balls, the felt and the puppets'.

Jack (Y3) - 'The painting is really good. I like that the birds are flying away'.

Ben (Y3) – 'I like the new carpet. I am proud that Mummy made the painting'.

Guney (Y2) – 'I like the fish light that changes colours. It makes the library very colourful. I am excited that my Mummy made the library and that I was in the newspaper'
