

Dear Parents/Carers,

To coincide with the launch of our Year of Computing, our Macmillan coffee morning will have a Computing theme this year. The event will take place on **Friday 13th October 2017 from 9.15am**. During the morning, not only will we be selling cakes and hot drinks, but you will have the opportunity to see some of our Computing resources in action and have the chance to learn some new skills.

As always, we would be grateful for any cake donations but this year we would like them to have a Computing theme. Prizes will be awarded for the most innovative designs. See below for some inspiration.

Yours sincerely,

Miss Edgar

Computing subject leader
