Dear Parent/Carer

Consultation on the proposal to reduce the planned admission number at Alexander Hosea for September 2019

In consultation with Alexander Hosea Governing Body, South Gloucestershire Council is proposing to reduce the planned admission number for admissions to Alexander Hosea Primary School, Honeybourne Way, Wickwar GL12 8PF with affect from 1 September 2019.

The current admission number is 45 and the proposed admission number is 30. The intention of the proposal is to bring the planned admission number more closely in line with recent and anticipated admission to the school.

The new published admission number of 30 will apply to new applications received for first admission to the Reception class in September 2019. The new admission number will age through the school and reach 30 across the age range over a period of 7 years.

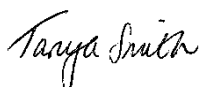

No other alterations to the admission arrangements at the school are proposed and children currently attending the school will remain on roll.

Any comment on this proposal may be sent to South Gloucestershire Council by email to tanya.smith@southglos.gov.uk or by post at the following address:
