#### From Mrs Williams:

I hope that everyone is safe and well. We know that there are a number of families who are still shielding and I hope that the transition from this arrangement goes smoothly for you from start of July.

As more businesses get ready to reopen after 3 months and people return to work, we have seen a much higher demand for key worker's places. We are full in both original Sapphire groups (A & B) and we are getting ready to open up a third key worker bubble (Sapphire C) to accommodate the additional children (including everyone on the current waiting lists). We are really pleased to be able to offer this without the need to close Reception or Year 6 bubbles at this time, but we have alerted Reception parents that if the need continues to rise (as we have seen this week), then we may need to close Reception later in the term to accommodate more key worker's children.

We know that we have a great many key worker families in our school community and not all families need the provision at school. We have been told by Government that we must do our very best to accommodate all the key worker's children that we can.

Key worker groups are in school 5 days a week and Reception and Year 6 are in school from Monday to Thursday to allow for cleaning and Teacher's planning and preparation time. All Teachers will be back on site (health permitting) from the w/c 29<sup>th</sup> June. All staff are allocated to the provision of children in school and with the opening of an additional bubble, the time the teachers have available to keep in touch with families via Google Classroom will decrease. Despite this, you should still be able to expect that the Teacher and/or Class Teaching Assistant will engage with you to respond to learning on Google Classroom on a regular basis (at least once a week).

Term 6 will end for Reception and Year 6 on Thursday 16<sup>th</sup> July and key workers can access provision until Friday 17<sup>th</sup> July. We will be using the 20<sup>th</sup> July as a transition day for teachers to pass on information about their outgoing classes and receive information about their new classes. This normally happens in our July INSET day each year, but we will be remaining open to key workers on 3<sup>rd</sup> July instead. For staff there will also be a lot of preparation needed to get the school autumn term ready. We do not yet know what provision will look like in September, but we hope that the Government will give guidance really soon so that we can inform you and plan for it!

#### **Teacher Allocation for September 2020**

We do not yet know what provision will look like, but we have allocated teachers to a class in the hope that we may be able to provide for children in bigger numbers (if not all of them) from day 1 on Wednesday 2<sup>nd</sup> September.

Reception (Topaz) Mrs Windmill Year 1 (Emerald) Miss Tyler

Year 2 – previous Jet Class (Jet) Mrs Rehman and Mrs Cleverley

Year 2 - previous Emerald Class (Ruby) Mrs Wigginton
Year 3 (Crystal) Mrs Arrowsmith
Year 4 (Diamond) Mrs Moncrieff
Year 5 (Pearl) Miss Edgar
Year 6 (Amethyst) Mrs Brooks

#### Wonderful Staff!

I am so grateful to our wonderful staff, who have been working tirelessly on and off site to keep the school running smoothly and safely for the children on site and to engage with our families with children, who are not yet back at school.

Alongside their significant work commitments they, like many others in our society, have their own health to consider; family members to protect and support (including those who are unwell or elderly); children to home-school, amongst other things. Despite their multiple priorities, they have remained professional and continued to show care and attention to the children we serve and our colleagues. When a potential obstacle has needed to be overcome (eg recently trying to accommodate more key workers without closing Reception), staff have been flexible and solution-focussed to do what is best for the children. I am so grateful to them all.

#### Safeguarding

If you are concerned about the safety of a child, please alert the school's Designated Safeguarding Leads: Mrs Deb Williams, Mrs Angela Moncrieff or Mrs Sally Windmill. You can also contact Access and Response to make a referral to social care on 01454 866000 Accessandresponse@southglos.gov.uk

#### Safe drop offs and pick ups

- To avoid congestion around the site, it is really important that children are dropped off and picked up on time, using the one-way system.
- Please avoid arriving too early or too late. If you arrive after your bubble's
  entrance is closed, please contact the school office and wait (away from other
  arrivals) until an adult from your child's bubble can come to collect (this may
  take some minutes as they will be supervising hand washing).
- Can we also ask that only <u>one adult</u> picks up the child and that parents do not linger around the front of the site, as it clogs up access for the next group and makes social distancing more difficult.
- Be patient, be kind and considerate to other parents, children and staff.

Drop off and collection times				
Bubble	Drop off	Pick up	Where?	
Sapphire A	8:50am	3pm	Front office	
Sapphire B	8:50am	3pm	Main playground gate	
Sapphire C – from 29 <sup>th</sup> June	8:50am	3:10pm	Red gate (near car park)	
Topaz	9am	2:40pm	Red gate (near car park)	
Gold	9:15am	2:50pm	Red gate (near car park)	
Amethyst A	9am	12:20pm	Main playground gate	
Amethyst B	9:15am	12:30pm	Front office	

It is really important that children are picked up and collected <u>promptly</u>. Please line up at your allocated space and the time given (not too early, as another group might be using the same gate/door). If you are late because of an emergency, let the office know you have arrived. You may have to wait a few minutes until a member of staff from the bubble can come up to the office to collect.

If your child is going to be absent for the day, then please let us know (with a clear reason for absence for our records).

#### Reports

The finishing touches are being put on reports in the next few days and we will start sending them home this week.

Y6, Reception and Key workers children will bring their reports (and their siblings) home with them in physical form. Whilst we wash our hands regularly, we would advise that parents wash their hands after holding the report and envelope.

For children not on site, we will deliver on foot or through the post.

If you would like to send feedback, please email the class teacher directly.

# BACK TO SCHOOL **Buying Your Uniform**

Advice from your uniform supplier for the coming summer

We face a potentially difficult summer with delays or interruptions to normal deliveries of uniform. To give us the best chance of supplying all your uniform requirements can we please ask:

- Order early
- 2. Order online

#### 3. Make any exchanges/returns when our shops re-open

We don't yet know how or when the current restrictions will be lifted but until then we will operate our normal full online service

Visit www.initiallyyours.co.uk Choose your school from the dropdown menu Please order as soon as possible

We are delighted to announce that **Initially Yours** branches are now fully re-opened, our staff are all back at work and looking forward to helping parents with their purchases of uniform as the summer progresses. Our opening times are exactly the same and can be found online.

Also online is our handy **Measuring/Size Guide** which will help parents order the correct size garment.

The way we will operate this year has changed. Our previous fliers have outlined this in detail. In addition:

- 1. Our staff regularly clean counters and equipment that may be common to both customers and themselves (eg credit card machines)
- 2. We have installed "sneeze screens" to protect our customers and staff at all counters
- 3. Branches have separate Click & Collect and Returns/Exchanges counters to help us serve you more efficiently and speedily
- 4. Returned garments are quarantined for 3 days before being returned to stock

Good news! I am so impressed by how many children are still working hard on TTRS and we now have 22 children who are Rock Heroes (Less than a second a question!), 42 Rock Legends, 24 Rock Stars. That means that 88 children in total can answer questions in less than 3 seconds or quicker. Keep up the good work!

Mrs Brooks – Maths leader

#### **INSET Dates for next year**

We have now booked our 5 INSET dates for 2020-21. Where possible we try to tag INSET days onto the start or end of a holiday to make it more convenient for working parents.

Tuesday 1<sup>st</sup> September

Friday 18<sup>th</sup> December

Monday 22<sup>nd</sup> February

Thursday 1st April

Friday 25th June

#### **Video Learning**

Some parents have asked for online video learning for KS2 children, who are not yet able to come into school.

Whilst our Teachers are not able to offer this, there are several pre-recorded online learning resources that parents might find helpful.

Oak Academy: www.thenational.academy

www.bbc.co.uk/bitesize

Both of these platforms provide FREE high-quality video lessons, tailored to national expectations.
