

# Opal Class News

Friday 25<sup>th</sup> April 2025

*Though it has only been 2 days of the term, it is lovely to see how the children have come back engaged and enthusiastic for the next project – The Romans. Prior to the Wow day on Monday, where we will officially launch the new project, we have been finishing off some of the learning from last term. On Thursday morning, the children spent their time learning about computer databases, understanding how to search and refine their searching, using grouping and sorting skills. In the afternoon, we started our sports day practise and I was so impressed with how many fabulous skippers we have. We also practised the sprint and relay. To finish our Thursday, we continued our learning from Jigsaw, looking at the impact of alcohol on our bodies and why people choose to drink. We then discussed and reviewed how alcohol can be misused.*

Key dates coming up:

28<sup>th</sup> April – Wow day (Dress as a Roman)

21<sup>st</sup> May – Sports day

Coming up next week  
Learning focused

In Maths, we shall be converting measurements and looking at scaling

In English, we will be writing an ee-witness account from our book (The last alchemist).

Science – life cycles

History – who were the Romans?

Continue with reading 5 x a week.  
Mathletics and TTRS

Way to support at home (home learning)
