### Newsletter 14, 11<sup>th</sup> June 2021

For school calendar: <http://www.alexanderhoseaprimarv.co.uk/calendar/?calid=1&pid=3&viewid=1>

From Mrs Williams.

We hope that everyone enjoyed a sunny, relaxing half term. What a lovely week it was! The children have been telling us about their adventures.

Year 5 are on their residential trip this weekend and happily more glorious weather is expected. We hope they have a wonderful time together. I know that Miss Edgar, Mrs Gee and Mrs McAleese are really looking forward to it too. I am very grateful to them for giving their weekend to take the Y5 children away, so that the children didn't miss out (after the original date was not possible). Have a great time everyone.

As you will be aware, we have some children and staff who are self-isolating after a positive case. I would like to thank the children, staff and parents for the smooth handling of collection of children on Wednesday and the move to remote learning. It was good to see some of the children at home join in with the Jigsaw assembly that afternoon. Events remind us that even though there are lots of reasons to be positive about the opening up of restrictions (and these are very welcome to us all), there remains the underlying risk of covid nationally and locally. Please remain vigilant around symptoms and sensible about social contacts.

I sent an email to parents on 9<sup>th</sup> June with helpful information about testing from South Glos Public Health team. It is important that primary age and younger children do not have lateral flow tests at home, but if you feel they have a **high temperature (37.5 or above); new and persistent cough and/or loss of taste and smell**, they must not come into school and parents **must book a PCR test**. NEW! It is possible for family members who have been in direct contact with a positive case to book asymptomatic testing through NHS website <https://www.gov.uk/get-coronavirus-test> or calling 119. PCR testing helps the NHS to gather information about the spread of variants (in particular the Delta variant at the moment), as well as picking up any cases where there are no or mild (eg cold/hayfever type) symptoms in those that have been exposed to a positive case.

### Teacher allocations for 2021-22

We have now finalised the deployment of teachers for September:

Topaz – Mrs Windmill  
Jet (Y1) – Mrs Cleverley/Mrs Rehman  
Crystal (Y2) – Miss Clark  
Ruby (Y3 – current Ruby) – Mrs Wigginton  
Emerald (Y3 – current Jet) – Mrs Grainger  
Diamond (Y4) – Mrs Moncrieff  
Pearl (Y5) – Miss Edgar  
Amethyst (Y6) – Mrs Brooks

Miss Tyler has been appointed as a part-time teacher in another South Glos school from September, so will not be returning at the end of her maternity leave. Miss Chalmers will also be leaving at the end of her temporary contract and will be moving to another local school in September. We wish both teachers all the very best for the future.

### Our Value of the Term is: **Enquiry**

This term we talk about being curious about the world around us and asking questions to understand more. Our projects contain enquiry questions and these are shared with the children as the projects progress.

Alongside this we do talk about changes and moving on.

### Parking: polite reminder

Thank you for parking considerately around our school. A side benefit of staggered school starts and ends is that traffic around the school is less congested, which has been appreciated by our families and the neighbours. When parking, please remember to:

- Keep your eyes open for pedestrians, scooting children and cyclists;
- Drive slowly – no more than 20 mph;
- **Keep the 'drop off' bay clear of parked cars (this is for a quick drop off only and cars should not be left unattended);**
- Avoid parking on pavements, school zigzag markings and across neighbour's driveways;
- Only use the staff car park if you have prior agreement from the school due to parent or child mobility issues.

### Second hand uniform

Thank you of your donations of second hand uniform. We still have a rail of ages 3-4 and 5-6 clothing in the front lobby. Please help yourself to these items and make a voluntary contribution (if you would like to).

Soon we will add some larger sizes to this rail. Clothes will be organised from left to right, smallest to largest sizes, to make it easier to find what you need.

If you have any space child's sizes clothes hangers that you could donate, please pop them on the rail for us to use.

We plan to bring the rail out as often as possible at pick up and collection. Please use the hand sanitiser provided.

### Relationships, Sex and Health Education

Thank you for attending the Parents' session with Mrs Windmill recently. She was really pleased with the turn out and help in her consultation with parents.
