From the Headteacher...

The summer term has started well and it has been great to see the sun at last. Please remember hats, water and sun cream.

#### What else has happened over the past fortnight?

- FoAHS quiz night. Thank you so much to Mrs Holderness and her father for arranging and to everyone who helped on the evening. The event was a great success.
- The children were visited by a chemist from University of Bristol, who showed them some chemicals at work in assembly. The children were inspired by the experience.
- Year 5 visited Kilve Court for their residential.
- Parents found out about their reception places for September 2018. We are looking forward to welcoming the new children and their families into our school. We will send out further information (including the date for the new parents' meeting) soon.
- Staff training on INSET day on bar modelling for maths – follow the link for further information about this strategy <https://mathsnoproblem.com/en/the-maths/teaching-methods/bar-modelling/> and we also had an update on basic first aid for some staff.

**INSET day reminder:** The school is closed to children on the following dates: Friday 13<sup>th</sup> July 2018.

#### **Text Message Service**

Please be aware that due to changes made by our text supplier (T2P), messages you receive from us will now come from a different number each time. Don't be alarmed by this but note that text messages from the school will include the school name at the top.

**School Meals** – it is essential that payments are made on time, in advance of any meals taken. Unfortunately, we are experiencing lunches being paid late which has negative impact on the school as we are now responsible for arrears so help with this would be greatly appreciated. If you require an online reference, please contact the office as this method allows you to keep track of balances and top up immediately when required.

Coming soon...

Aardman animation workshops for all children will take place on 1<sup>st</sup> and 2<sup>nd</sup> May.

Thank you, Wickwar Education Fund!

#### **Thank you!**

- Thank you to all the families who helped to move the pebbles from the front grass area to the entrance to the main playground (by the Y5 sensory garden). If you see any other school pebbles around and about, please pop them with the others when you next visit.
- Thank you to Mrs Gregory and the team of helpers who moved the large sacks of top soil from the car park to Shaun's Garden. This soil will be used to fill the newly renovated beds to complete the FoAHS project.

**INSET days for 2018-19 academic year**

**Ticks**

As spring is now here at last, many families will be getting out and about in our beautiful local area. Ticks are increasingly common in UK woodland and grassland. Please a fact sheet on your email for your information.

**Helping Bristol's homeless community.**

During the snow, one of our Year 1 children – Tenzin – started a discussion at home about homelessness. His sadness at the reality of the issue inspired him to help and after a few messages back and forth between a local Bristol charity a plan was created.

To raise awareness and actively support a Bristol based charity ('Help Bristol's Homeless' CIC) a monthly cake donation for their outreach has been started. The intention is to not only supply delicious homemade cakes, but also to raise awareness with the next generation by getting them involved in the baking process and opening a discussion.

If you would like to take part & for more information, you can join the Facebook group "Cakes For The Homeless" or talk to Lucy - Tenzin's mum to arrange a collection time for the cakes.

The next collection will be Thursday 26th (& the last Thursday of each month following).
