

Opal Class News

Friday 27th June 2025

Another wonderful week done and dusted and we are continuing to roll closer and closer to the end of the year! We have been recapping weaker areas of Maths this week so the children have been recapping the properties of 2D shapes. In English, we have planned and written a balanced argument as to whether the Roman Invasion on Britain was a positive or negative impact on Britain. The children have done an excellent job on this and I am very proud of them! We have also continued to practise for our cornet concert next week and the children have been lucky enough to enjoy an additional PE lesson, where they learnt cricket skills. In computing, the children are showing amazing teamwork, preparing their 'horrible history' videos.

Key dates coming up:

8th & 10th July – shuffle up day in year 6.

Each Friday – Jigsaw (learning about 'changes')

2nd July (10:20) – Cornet concert for parents.

| Coming up next week Learning focused | Way to support at home (home learning) |
