**SCHOOL
DEVELOPMENT
PLAN
2017/2018**

The teachers work together to strive for outstanding teaching and learning for all.

The communal spaces are great spaces to learn (just like the classrooms).

Classrooms have the right resources to help children to master maths.

All children have a deep understanding of the maths they are learning.

All children have the chance to apply their maths skills in different ways.

Learning Environments

Maths

All subject leaders help to make sure that the Alexander Hosea Curriculum inspires the 'want' to learn in all children.

Give vulnerable children the tools they need to make great progress.

Year of Computing

Children have a rich and exciting opportunities to use computing in their learning.

LEARNING OUTCOMES

The ICT suite is changed into a STEM Lab to allow for flexible learning – to match the style of the classrooms.

Children in KS2 have improved spelling to use in their writing.

All children make great progress in Maths and English, from their starting points.

Set up a Code Club to inspire children to use computer science.

Roots to grow, wings to fly
