

## Maths

How could you spend £1,000,000?

You could buy expensive cars, go on holidays, or buy a new house.

You can present your learning in a creative way using pictures etc. but make sure you include all prices and total spend.

# Home Learning Grid – Term 1

## Pearl Class

Term 1 – Home learning to be shared on Tuesday 23<sup>rd</sup> October at 3pm. Parents and carers are welcome to join us.

### Science and Technology

#### Science:

Make an interactive poster about your group's planet. This could contain lift the flap parts or small 3D aspects.

### The Arts Art, DT & Music

#### Music/Art:

Listen to the planets pieces of music by Holst (these are all on youtube). Choose a particular piece and write a short paragraph about what you like about the piece of music, what instruments you think are being used etc. You could also create a piece of artwork inspired by the piece.

### The World RE, PHSE, History, Geography & PE

#### History:

Who were the Aztecs? Where were they from? When were they around?  
Why was the Sun important to the Aztecs?  
  
You can choose how to present your research.

## How far can you go?

## English

Astronaut Tim Peake has launched a competition to name the British-made Mars rover set to search for life on the red planet.

The rover is scheduled to land on the red planet in August 2021 and will be part of a mission to investigate how Mars evolved and whether it has conditions for life.

Choose a name and write a maximum of 150 words to explain your reasons for the choice.
