Newsletter 3, 4th October 2019

For school calendar: <http://www.alexanderhoseaprimary.co.uk/calendar/?calid=1&pid=3&viewid=1>

From Mrs Williams..

This term we will be focussing on the launch of 'Year of Citizenship' and the first of our ASPIRE values: Adaptability. If you notice your child being a good citizen and helping others or being adaptable and resilient if plans change, it would be great if you could reinforce the language at home. In school we talk about the children being flexible when things change; changing their way of learning to suit different situations; knowing that it is good to learn from mistakes and finding new ways to solve a problem or help someone else.

Around school, staff are noticing that children are showing the school rules in action (being kind, respectful and responsible) and acknowledging this when they notice children going above and beyond. As part of our involvement with Better Behaviours Project this year (along with the majority of South Glos schools), we will be tweaking some of our approaches and refreshing the visuals we use for behaviour management in classrooms. Mrs Arrowsmith will keep you up to date as the project develops.

We have been really proud of our children, as we have had very positive compliments about our children's exemplary behaviour from agencies such as pedestrian trainers (Y5); Funky Punk (Keyboards) and Road Safety Team (Y3 and Y6). These visitors went out of their way to share how impressed they were with the children's behaviour. In addition to this we have been impressed with the attitude and conscientiousness of our Y5 and 6 Play Pals, who have been brilliant at supporting the newest members of our school to settle into the lunchtime routine. They have gone above and beyond to help the Reception children to understand how lunchtimes work and what is expected.

This week we hosted an open afternoon for prospective parents for Reception in 2020. It was wonderful to see so many parents at the meeting and we had a great deal of positive feedback from the visit. We would like to say a huge thank you to the team of 14 Y6 pupils, who were fantastic ambassadors for the school and gave helpful informative on their tours.

Some key dates for your diary:

Harvest Service at Holy Trinity church: Monday 7th October (am). We will need helpers to walk to and from the church with us. Please contact the office if you might be able to help.

Cup Assembly: Wednesday 23rd October. Who will be nominated this term?

Parents' Evenings: Wednesday 23rd and Thursday 24th October 4-6:30pm. Letters will be sent out soon.

Please do read this newsletter, the school calendar and the Teachers' weekly bulletins to keep up to date.

Aspirations Week

Later in the year, we will be organising an Aspirations Week and the children will find out about different jobs that they might do in the future.

If you have a job in a STEM industry or in a role that challenges a gender stereotype, we would love to hear from you. Please contact Mrs Sally Windmill.

INSET dates 2019-20

Our INSET dates for next year will be:
Friday 20th December 2019
Monday 6th January 2020
Friday 3rd April 2020
Friday 3rd July 2020

Please note the National May Day holiday will be on **FRIDAY 8th May** not Monday 4th May 2020 (changed recently by Government).

School Meals

The new menu for autumn and winter is in development and the catering team will send it out soon.

5th November – Fireworks menu.

10th December – Christmas dinner for the children.

We are looking into an online meal ordering system, so that parents can order with their child in advance. This will help the catering team to know how much of each item to prepare, so that all children have the full offer available.

Parent Council

We met for our first meeting of the year last week. The Terms of Reference and minutes are on the school website, under the 'Parent' tab.

One of the items we discussed was about food and packaging waste in the hall for school meals. Since the meeting we have been in contact with our catering suppliers, who are looking into a recycling service for the food and packaging (eg yoghurt pots).

We are also looking at possible dates for parent lunches for R and Y3 after the new menu starts in November.

Allergies in School

We have a number of children in school with allergies to certain foods. Please can we ask that children are not given nuts (including in chocolate spreads, like Nutella) in lunchboxes. Thank you.

Permission to walk to/from school

If your child is in Y5 or Y6 and you feel that they are ready to be able to walk to or from school independently, please complete a request form (available from the school office). Permission to walk home alone is at the discretion of the headteacher.

This permission does not cover walking home from non-staff run clubs. Arrangements should be made directly between parents and the company providing the club.

Parents may wish to change permissions during weeks when darker afternoons are drawing in. Parents should let the club provider know of any such changes in advance.

Communication with the school

We understand that on occasion parents/carers may wish to discuss a query or concern they have about their child's experience at school. If you have a query or concern, contact the school office and they will answer your query or pass the information to another member of staff who can help.

It is always best to raise queries or concerns through direct contact with the school instead of using social media, as this may be upsetting for other parents and would not help a solution to be found (as school would not be aware). We also ask that parents/ carers consider carefully what they post publically about the school.

Newsletter 3, 4th October 2019

For school calendar: <http://www.alexanderhoseaprimary.co.uk/calendar/?calid=1&pid=3&viewid=1>

From Mrs Williams..

This term we will be focussing on the launch of 'Year of Citizenship' and the first of our ASPIRE values: Adaptability. If you notice your child being a good citizen and helping others or being adaptable and resilient if plans change, it would be great if you could reinforce the language at home. In school we talk about the children being flexible when things change; changing their way of learning to suit different situations; knowing that it is good to learn from mistakes and finding new ways to solve a problem or help someone else.

Around school, staff are noticing that children are showing the school rules in action (being kind, respectful and responsible) and acknowledging this when they notice children going above and beyond. As part of our involvement with Better Behaviours Project this year (along with the majority of South Glos schools), we will be tweaking some of our approaches and refreshing the visuals we use for behaviour management in classrooms. Mrs Arrowsmith will keep you up to date as the project develops.

We have been really proud of our children, as we have had very positive compliments about our children's exemplary behaviour from agencies such as pedestrian trainers (Y5); Funky Punk (Keyboards) and Road Safety Team (Y3 and Y6). These visitors went out of their way to share how impressed they were with the children's behaviour. In addition to this we have been impressed with the attitude and conscientiousness of our Y5 and 6 Play Pals, who have been brilliant at supporting the newest members of our school to settle into the lunchtime routine. They have gone above and beyond to help the Reception children to understand how lunchtimes work and what is expected.

This week we hosted an open afternoon for prospective parents for Reception in 2020. It was wonderful to see so many parents at the meeting and we had a great deal of positive feedback from the visit. We would like to say a huge thank you to the team of 14 Y6 pupils, who were fantastic ambassadors for the school and gave helpful informative on their tours.

Some key dates for your diary:

Harvest Service at Holy Trinity church: Monday 7th October (am). We will need helpers to walk to and from the church with us. Please contact the office if you might be able to help.

Cup Assembly: Wednesday 23rd October. Who will be nominated this term?

Parents' Evenings: Wednesday 23rd and Thursday 24th October 4-6:30pm. Letters will be sent out soon.

Please do read this newsletter, the school calendar and the Teachers' weekly bulletins to keep up to date.

Aspirations Week

Later in the year, we will be organising an Aspirations Week and the children will find out about different jobs that they might do in the future.

If you have a job in a STEM industry or in a role that challenges a gender stereotype, we would love to hear from you. Please contact Mrs Sally Windmill.

INSET dates 2019-20

Our INSET dates for next year will be:
Friday 20th December 2019
Monday 6th January 2020
Friday 3rd April 2020
Friday 3rd July 2020

Please note the National May Day holiday will be on **FRIDAY 8th May** not Monday 4th May 2020 (changed recently by Government).

School Meals

The new menu for autumn and winter is in development and the catering team will send it out soon.

5th November – Fireworks menu.

10th December – Christmas dinner for the children.

We are looking into an online meal ordering system, so that parents can order with their child in advance. This will help the catering team to know how much of each item to prepare, so that all children have the full offer available.

Parent Council

We met for our first meeting of the year last week. The Terms of Reference and minutes are on the school website, under the 'Parent' tab.

One of the items we discussed was about food and packaging waste in the hall for school meals. Since the meeting we have been in contact with our catering suppliers, who are looking into a recycling service for the food and packaging (eg yoghurt pots).

We are also looking at possible dates for parent lunches for R and Y3 after the new menu starts in November.

Allergies in School

We have a number of children in school with allergies to certain foods. Please can we ask that children are not given nuts (including in chocolate spreads, like Nutella) in lunchboxes. Thank you.

Permission to walk to/from school

If your child is in Y5 or Y6 and you feel that they are ready to be able to walk to or from school independently, please complete a request form (available from the school office). Permission to walk home alone is at the discretion of the headteacher.

This permission does not cover walking home from non-staff run clubs. Arrangements should be made directly between parents and the company providing the club.

Parents may wish to change permissions during weeks when darker afternoons are drawing in. Parents should let the club provider know of any such changes in advance.

Communication with the school

We understand that on occasion parents/carers may wish to discuss a query or concern they have about their child's experience at school. If you have a query or concern, contact the school office and they will answer your query or pass the information to another member of staff who can help.

It is always best to raise queries or concerns through direct contact with the school instead of using social media, as this may be upsetting for other parents and would not help a solution to be found (as school would not be aware). We also ask that parents/ carers consider carefully what they post publically about the school.

Newsletter 3, 4th October 2019

For school calendar: <http://www.alexanderhoseaprimary.co.uk/calendar/?calid=1&pid=3&viewid=1>

From Mrs Williams..

This term we will be focussing on the launch of 'Year of Citizenship' and the first of our ASPIRE values: Adaptability. If you notice your child being a good citizen and helping others or being adaptable and resilient if plans change, it would be great if you could reinforce the language at home. In school we talk about the children being flexible when things change; changing their way of learning to suit different situations; knowing that it is good to learn from mistakes and finding new ways to solve a problem or help someone else.

Around school, staff are noticing that children are showing the school rules in action (being kind, respectful and responsible) and acknowledging this when they notice children going above and beyond. As part of our involvement with Better Behaviours Project this year (along with the majority of South Glos schools), we will be tweaking some of our approaches and refreshing the visuals we use for behaviour management in classrooms. Mrs Arrowsmith will keep you up to date as the project develops.

We have been really proud of our children, as we have had very positive compliments about our children's exemplary behaviour from agencies such as pedestrian trainers (Y5); Funky Punk (Keyboards) and Road Safety Team (Y3 and Y6). These visitors went out of their way to share how impressed they were with the children's behaviour. In addition to this we have been impressed with the attitude and conscientiousness of our Y5 and 6 Play Pals, who have been brilliant at supporting the newest members of our school to settle into the lunchtime routine. They have gone above and beyond to help the Reception children to understand how lunchtimes work and what is expected.

This week we hosted an open afternoon for prospective parents for Reception in 2020. It was wonderful to see so many parents at the meeting and we had a great deal of positive feedback from the visit. We would like to say a huge thank you to the team of 14 Y6 pupils, who were fantastic ambassadors for the school and gave helpful informative on their tours.

Some key dates for your diary:

Harvest Service at Holy Trinity church: Monday 7th October (am). We will need helpers to walk to and from the church with us. Please contact the office if you might be able to help.

Cup Assembly: Wednesday 23rd October. Who will be nominated this term?

Parents' Evenings: Wednesday 23rd and Thursday 24th October 4-6:30pm. Letters will be sent out soon.

Please do read this newsletter, the school calendar and the Teachers' weekly bulletins to keep up to date.

Aspirations Week

Later in the year, we will be organising an Aspirations Week and the children will find out about different jobs that they might do in the future.

If you have a job in a STEM industry or in a role that challenges a gender stereotype, we would love to hear from you. Please contact Mrs Sally Windmill.

INSET dates 2019-20

Our INSET dates for next year will be:
Friday 20th December 2019
Monday 6th January 2020
Friday 3rd April 2020
Friday 3rd July 2020

Please note the National May Day holiday will be on **FRIDAY 8th May** not Monday 4th May 2020 (changed recently by Government).

School Meals

The new menu for autumn and winter is in development and the catering team will send it out soon.

5th November – Fireworks menu.

10th December – Christmas dinner for the children.

We are looking into an online meal ordering system, so that parents can order with their child in advance. This will help the catering team to know how much of each item to prepare, so that all children have the full offer available.

Parent Council

We met for our first meeting of the year last week. The Terms of Reference and minutes are on the school website, under the 'Parent' tab.

One of the items we discussed was about food and packaging waste in the hall for school meals. Since the meeting we have been in contact with our catering suppliers, who are looking into a recycling service for the food and packaging (eg yoghurt pots).

We are also looking at possible dates for parent lunches for R and Y3 after the new menu starts in November.

Allergies in School

We have a number of children in school with allergies to certain foods. Please can we ask that children are not given nuts (including in chocolate spreads, like Nutella) in lunchboxes. Thank you.

Permission to walk to/from school

If your child is in Y5 or Y6 and you feel that they are ready to be able to walk to or from school independently, please complete a request form (available from the school office). Permission to walk home alone is at the discretion of the headteacher.

This permission does not cover walking home from non-staff run clubs. Arrangements should be made directly between parents and the company providing the club.

Parents may wish to change permissions during weeks when darker afternoons are drawing in. Parents should let the club provider know of any such changes in advance.

Communication with the school

We understand that on occasion parents/carers may wish to discuss a query or concern they have about their child's experience at school. If you have a query or concern, contact the school office and they will answer your query or pass the information to another member of staff who can help.

It is always best to raise queries or concerns through direct contact with the school instead of using social media, as this may be upsetting for other parents and would not help a solution to be found (as school would not be aware). We also ask that parents/ carers consider carefully what they post publically about the school.

Newsletter 3, 4th October 2019

For school calendar: <http://www.alexanderhoseaprimary.co.uk/calendar/?calid=1&pid=3&viewid=1>

From Mrs Williams..

This term we will be focussing on the launch of 'Year of Citizenship' and the first of our ASPIRE values: Adaptability. If you notice your child being a good citizen and helping others or being adaptable and resilient if plans change, it would be great if you could reinforce the language at home. In school we talk about the children being flexible when things change; changing their way of learning to suit different situations; knowing that it is good to learn from mistakes and finding new ways to solve a problem or help someone else.

Around school, staff are noticing that children are showing the school rules in action (being kind, respectful and responsible) and acknowledging this when they notice children going above and beyond. As part of our involvement with Better Behaviours Project this year (along with the majority of South Glos schools), we will be tweaking some of our approaches and refreshing the visuals we use for behaviour management in classrooms. Mrs Arrowsmith will keep you up to date as the project develops.

We have been really proud of our children, as we have had very positive compliments about our children's exemplary behaviour from agencies such as pedestrian trainers (Y5); Funky Punk (Keyboards) and Road Safety Team (Y3 and Y6). These visitors went out of their way to share how impressed they were with the children's behaviour. In addition to this we have been impressed with the attitude and conscientiousness of our Y5 and 6 Play Pals, who have been brilliant at supporting the newest members of our school to settle into the lunchtime routine. They have gone above and beyond to help the Reception children to understand how lunchtimes work and what is expected.

This week we hosted an open afternoon for prospective parents for Reception in 2020. It was wonderful to see so many parents at the meeting and we had a great deal of positive feedback from the visit. We would like to say a huge thank you to the team of 14 Y6 pupils, who were fantastic ambassadors for the school and gave helpful informative on their tours.

Some key dates for your diary:

Harvest Service at Holy Trinity church: Monday 7th October (am). We will need helpers to walk to and from the church with us. Please contact the office if you might be able to help.

Cup Assembly: Wednesday 23rd October. Who will be nominated this term?

Parents' Evenings: Wednesday 23rd and Thursday 24th October 4-6:30pm. Letters will be sent out soon.

Please do read this newsletter, the school calendar and the Teachers' weekly bulletins to keep up to date.

Aspirations Week

Later in the year, we will be organising an Aspirations Week and the children will find out about different jobs that they might do in the future.

If you have a job in a STEM industry or in a role that challenges a gender stereotype, we would love to hear from you. Please contact Mrs Sally Windmill.

School Meals

The new menu for autumn and winter is in development and the catering team will send it out soon.

5th November – Fireworks menu.

10th December – Christmas dinner for the children.

We are looking into an online meal ordering system, so that parents can order with their child in advance. This will help the catering team to know how much of each item to prepare, so that all children have the full offer available.

Parent Council

We met for our first meeting of the year last week. The Terms of Reference and minutes are on the school website, under the 'Parent' tab.

One of the items we discussed was about food and packaging waste in the hall for school meals. Since the meeting we have been in contact with our catering suppliers, who are looking into a recycling service for the food and packaging (eg yoghurt pots).

We are also looking at possible dates for parent lunches for R and Y3 after the new menu starts in November.

Allergies in School

We have a number of children in school with allergies to certain foods. Please can we ask that children are not given nuts (including in chocolate spreads, like Nutella) in lunchboxes. Thank you.

Permission to walk to/from school

If your child is in Y5 or Y6 and you feel that they are ready to be able to walk to or from school independently, please complete a request form (available from the school office). Permission to walk home alone is at the discretion of the headteacher.

This permission does not cover walking home from non-staff run clubs. Arrangements should be made directly between parents and the company providing the club.

Parents may wish to change permissions during weeks when darker afternoons are drawing in. Parents should let the club provider know of any such changes in advance.

Communication with the school

We understand that on occasion parents/carers may wish to discuss a query or concern they have about their child's experience at school. If you have a query or concern, contact the school office and they will answer your query or pass the information to another member of staff who can help.

It is always best to raise queries or concerns through direct contact with the school instead of using social media, as this may be upsetting for other parents and would not help a solution to be found (as school would not be aware). We also ask that parents/ carers consider carefully what they post publically about the school.
