Newsletter

Maths

The children have been developing compass skills this week and have produced intricate flower and petal designs.

Pantomime

We have been busy starting to rehearse our Panto and we have run through the whole script now. Children should try to learn their lines at home too. I am to be script free in two weeks!

English

We have begun reading Beowulf and the children have been writing persuasive letters to Beowulf asking him to help defeat the monster Grendel.

Here are some photos of lovely construction with Playpod at lunch!
