

## Maths

### Sums with sweets

Find out the cost of each raisin or sweet in a packet! Then work out the cost of 100 sweets, 1000 sweets etc.

Show all your workings out clearly.

# Home Learning Grid 2

## Amethyst Class

Term 3 – home learning due on Wednesday 7<sup>th</sup> February

Parents/carers are welcome to come and share with us from 3pm.

### Science and Technology

Coding- Write you own computer program (Scratch is easiest as we use at school) that uses the on screen mimics to show a hobby that you enjoy outside of school.

You can access this free online:

<https://scratch.mit.edu/>

### The Arts Art & Music

Poster Art- study the work of one of the following artists:

Andy Warhol

Tom Purvis

Shepard Fairey

Can you make your own poster in the style of your chosen artist?

### The World RE, Geography PHSE, PE and French

History: Choose another country involved in WW2. Find out about what role they played in events, who was the leader and how did the war impact the citizens of that country.

## Is Life Fair?

## English

Write a letter home from a WW2 soldier to his family. Try to include some of the writing features we have been talking about in class. For Example: Range of punctuation, powerful descriptions, mixture of complex and simple sentence structures.

Tell your teacher about the home learning you have been doing.

• **Ruby** – being aware of others and how what you do or say, might make them feel

• **Emerald** – bouncing back from mistakes and disappointment, and controlling your anger if it tries to get out!

• **Sapphire** – keeping focused and staying in control of the monster distractions

• **Diamond** – being able to notice a problem and thinking of ways to

Which gem powers have you used?
