Our learning this week...

Maths

We have been learning about multiples, factors, divisibility rules and prime numbers. Finishing with a Prime investigation.

English

The children's stories are really shaping up and I am looking forward to marking them.

History

The children wrote diaries as though they were a monk on the island of Lindisfarne (the night the Vikings invaded). They have now started researching their own project on this topic. Their next home learning is on Google Classroom and is all about Viking Long boats-some keen children have already completed this!

Parents Evenings

I look forward to seeing many of you over the coming weeks using Microsoft Teams. If you are not able to meet using this medium please email me and I can arrange a time to give you a telephone call.

P.E

We are finishing our dances and the unit on Volley Ball. Here are some action shots below:
