Our learning this week...

Maths

We have been learning how to calculate across the zero when dealing with negative numbers.

English

The children have written diary extracts from the point of view of Katherine Valentine (Character in our class book). We have been learning about punctuation used with and within inverted commas.

Project – Who has the power?

We have been looking at different types of government across the world. The children also had fun thinking about what they would do if they were the 'ruler' for the day!

Music – This term all the children in Amethyst are receiving music instrument lessons. We are being taught the Ukele by a teacher from the South Glos music service.
