# Amethyst Class Newsletter

## Our learning this week...

The children have had an excellent start to year 6 and have approached the new project with enthusiasm.

Our project for this term is:

**Why Should We Remember?** With a history WW1 focus (Details will be available on the website soon).

We launched the project with a timeline hunt, where the children hunted for significant events from the past 100 years that were hidden around the playground. They then plotted them on a giant timeline. After this the children made paper Poppies to add to our main display board in class.
