

Amethyst Class Newsletter

It has been a super busy week for Amethyst this week!

They have been to the Church twice this week to practice their Christmas performance (please see email sent 4.12.25 for more details on when you can come and see this)!

In Jigsaw this term, we are looking at “celebrating differences”, and the children had a great lesson this week discussing the term “normal” and what this meant.

During English this week, the children have been introduced to a new book – Freedom on the Menu. This book is based on a true story, set in North Carolina in the 1960’s. It focuses on racism and segregation. The children had great discussions from this and could link it to their learning from last year and the Space Race!

On Wednesday, the children had a fantastic day full of lots of different activities. Firstly, they made shortbread biscuits, ready to sell at the school Fair. In the afternoon, they had a visit from some KLB Sixth Form students, who came to do a heart dissection demonstration for them. The children then got involved themselves, looking at the different part of the heart, then cutting them open to see what it looks like inside.
