## Our learning this week...

### Project – Why do people leave their homes?

We have launched our project, which starts with a History focus, with a WW2 evacuee day. The children thoroughly enjoyed being transported back to 1940 for the day. They all looked amazing in their costumes and made gas mask boxes, labels and identity cards, watched an interview with a lady who was evacuated during the war and even experienced three air raids!

#### SATS books

Hopefully you have received an email about the opportunity to purchase SATS home learning booklets, the children have seen them arrive and are surprisingly very excited about getting them!
