

# Amethyst Class Newsletter

## Our learning this week...

### Project – Who has the power?

The campaigns are in full flow and the children are busy in their parties preparing posters, badges and a manifesto!

### Poppies

We have been knitting poppies as part of our morning challenge, these will form part of a village Remembrance display in the local community.

### Gymnastics

Our final session with the gymnastic coach was all about balance- all the children were good at this and had to trust their partners to form various balances.
