

19th June 2026

Amethyst Class Newsletter

Firstly, I must apologise for the lack of emails over summer term. It has been an incredibly busy time, and I do feel I have sent a lot of emails to make up for it!

After the competition of SATs last term, and writing moderation this week, it has been nice to feel like the children have been able to just chill and write letters to Morfa Bay (or other places they have been) and complete a maths poster competition!

As you may be aware, this week the children were given their parts in the play. They were all so lovely and supportive of each other and it has been brilliant hearing their singing and seeing some of their acting skills!

Our overall theme this term is “changes”, which links perfectly with our Jigsaw. This week, we looked at changes that both boys and girls go through. The children then split into groups: the girl with me and the boys with Mrs Brooks, where we were happy with how mature they were at both asking questions and contributing to discussions!

PE this term has been busy preparing for Sports Day, District and Rounders Tournament! It will be quite nice to go back to normality of athletics and striking and fielding!

Home Learning:

Now SATs and termly Home Learning is all done, please ensure your child is learning their lines for the school play.

All usual home learning is still applicable:

TTRS

Mathletics

5 times a week reading

Key Dates:
