

Amethyst Class Newsletter

The children have enjoyed sharing their History home learning projects with the class. They have been fascinating and I have thoroughly enjoyed all of them. In Science they have been learning about how the eye works, which the children found very interesting. P.E was our last week with the sports coach so as a treat he organised a volley ball tournament for the children to take part in. It is Safer Internet Week so we have been learning about staying safe online. The WW2 narratives are all finished and I will mark them over half term.

Wednesday:
In class
Volley Ball
Tournament
in P.E. this
week.

Key dates coming up:

SATs Meeting – Feb 22nd 9:15-10 am

J-Sax Concert end of term 4 to parents/carers : Tuesday 26th March 2:50pm – 3:15pm

Coming up Term 4
Learning focused

Continuing with WW2 project: rationing, war
time songs.
Geography – Focus on France

Way to support at home (home learning)

Enjoy the half term break and maybe just
focus on reading over the half-term holiday
(recording and signing in the reading log
books).

Have a lovely half-term with your families and look forward to seeing you all soon.
