

Amethyst Class

Newsletter

Our learning this week...

How Can We Make Life Fair?

Geography

This week we have been comparing Tropical and Temperate climates and looking at how climate change is impacting these different environments.

Maths

Our topic this week has been on negative numbers.

English

We have been writing Harvest/Autumn poetry this week ready for our Harvest Festival on the 2nd October.

Online safety

The children enjoyed their informative session with the Avon Police Force on online safety. They learnt a lot about how to be responsible online and how to keep themselves safe.

Home Learning

Hope the mould investigations are going well?! Please can you remind children that there is an expectation that ALL children will do TTRS each week and complete their reading log with five times a week.
