Our learning this week...

How Can We Make Life Fair?

Maths

The children have been applying their Multiplication and division calculations to solving reasoning and worded problems this week.

R.E

Interfaith day – On Tuesday the children took part in many activities, including live online sessions, as part of Interfaith Day. They learnt about different religions and their beliefs and values.

Anti-Bullying week

This week's theme is Make a Noise About Bullying. The children have been working on a group/ class poem to reflect what we believe about saying no to bullying in our school.

Life Skills Trip

We had an excellent afternoon at the Life Skills Centre in Bristol. The children worked in small groups (with an adult volunteer) to learn how to keep themselves and other safe in different potentially hazardous situations. They should be able to tell you what DRAB is and also explain how to make a 999 call.
