

Amethyst Class Newsletter

Our learning this week...

English

The children have been looking at how to create atmosphere with their writing and have been using weather, time of day and setting to create the right tone for their descriptive writing. We have written a description of one of the scenes in our class book, a diary entry from the main character and started a newspaper report.

Can you crack the code?

The children are in groups and have begun designing coding activities for our cracking code event. It would be lovely to see as many family members as possible to try their hand at the children's codes! The event is on Monday 19th March 9.20pm until 10.30pm.

9th March 2018
