

Amethyst Class Newsletter

Our learning this week...

English

The children are busy writing their own mystery narrative...some very creative ideas and spooky plots coming along!

Invitation to a fun coding morning:

The children have been working hard to prepare their coding 'Stalls' and would love as many parents, carers, family members as possible to come and try their hand at the children's codes, algebra, computer codes, quiz and hand made board games. The idea is parents will do 10 minutes at each station and the children will teach them some of the things they themselves have learnt! **9.20 until 10.20/10.30 am Monday 19th March**

Children don't forget to come in your WW2 costumes to set the scene for the event!

9th March 2018
