

# Amethyst Class Newsletter

## Our learning this week...

### What Makes a Good Leader?

The children have been busy preparing their campaigns: making badges, posters, leaflets and writing manifestos. I have been really impressed with how well they have worked in their teams this week.

### Maths

We have been learning about internal angles of 2D shapes and solving missing angle problems.

### Visit from Luke Hall

*"On Friday 1<sup>st</sup> March, Luke Hall (local MP for Yate and Thornbury area) visited Alexander Hosea School in Wickwar. Amethyst class were very pleased to have him come in and answer their questions about parliament.*

*The MP asked the pupils if they had any suggestions about their community on how to make it a better place. One student Tammy (aged 11) said: "I think that there needs to be a zebra crossing on the High Street." Many more suggestions were made and Luke Hall promised to look into all of them and write back to the children to update them.*

*Luke has been an MP for 2 years and has grown to love his job. Overall Amethyst Class thoroughly enjoyed Luke's visit and feel that the information he shared will be useful in developing their own political parties."*
