

# Amethyst Class Newsletter

On Monday we had a visit from Ms Symons (one of the organisers of the South Gloucestershire Art Trail) who worked with the children to produce art work depicting the Easter story. This will be displayed in the Wickwar church during the trail (I'll let you know final dates for this in case you want to

have a look!). The costumes for World Book day were marvellous and I am sure you will agree the children look brilliant!

**Wednesday 13<sup>th</sup> March** – Visit from KLB science department – Heart Dissection! This links to our learning from last term. **Friday 15<sup>th</sup>** – Red Nose Day.

Geography – Focus on France  
English -Balanced arguments.  
Maths – Averages and finding the mean  
Science- Heart  
Music – J SAX and WW2 songs.

Spelling – no spelling this week as this week's unit was looking at using hyphens.

Continue with the SATs busters, TTRS and lots of reading.
