

# SEND Coffee morning - Dyslexia

Dear Parents/Carers,

If your child has Special Educational Needs or Disabilities (whether diagnosed or undiagnosed) and you would like to meet with other parents and myself to discuss strategies to support your child at home or find out more about what is put in place in school to support your child, please come along to the coffee morning on Friday 8<sup>th</sup> November at 9.15am.

This session will have a particular focus on Dyslexia: how to recognise if your child may be dyslexic or have some dyslexic tendencies; what strategies could help your child with these particular difficulties; what resources are useful and signposting to other organisations that can help.

During the morning, I will provide you with some information about dyslexia as well as looking at some useful resources and strategies. There will also be an opportunity to discuss any questions or concerns you may have.

I am hoping to put on some more coffee mornings across the year with a different focus so if there is anything that you feel would be useful please send me email and I will see what I can do.

Yours sincerely,

Miss Edgar

(Special Educational Needs and Disabilities Coordinator)
