

23rd May 2025

# Amethyst & Pearl Class Newsletter

**Maths** – The children have been challenging themselves with a series of ‘Million’ problems this week!

**English** – This week we have been writing our own narratives based on our class book, Floodland.

**Art** – We have been using lino and lino cutters to create a relief printing block.

**Science** – We have been learning about adaptation of a species over time to suit its environment. The children have learnt a very catchy song – about camels adapting to live in the desert.

**Sports Day**- Sports Day was a huge success and the children all said they thoroughly enjoyed it.

Way to support at home (home learning)

Choose a mini project on an aspect of Viking life, choose from the following:

Viking art, culture, ships, place names or village life.

Present your project

how you like, we will share in class at the start of term 6. Hand into school by June 13<sup>th</sup>

## **Key Dates:**

**Morfa Bay** – Week 1 term 6 arrive at school about 8:15 am for a 8:30 departure. Please take any medicines to Mrs Mason and give all named purses to Mrs Brooks.

**Cycle training** – All pupils who have registered on 1<sup>st</sup> July and then a further day either 4<sup>th</sup> , 11<sup>th</sup> or 14<sup>th</sup> July.
