

# Amethyst Class

## Newsletter

### Our learning this week...

#### Project – Why do people leave their homes?

##### Art/History

We have borrowed some artefacts from the Yate Heritage Centre, the children have enjoyed looking at them and chose 3 objects to sketch and find out about.

##### English

We have been writing non-chronological reports on Evacuation during WW2. The class book is proving popular, the children are enjoying the action in the historical novel.

##### Maths

Our focus at the moment is on Fractions, Decimals and Percentages. It is important the children keep their tables skills fresh by using TTRS as it helps enormously when calculating with fractions.
