Amethyst Dates for Term 4

Thursday February 22nd 9:15-10:00 – Year 6 SATS meeting for parents. I will email the Power point so please don't worry if you are unable to attend.

Wednesday 13th March – Visit from KLB Science students and teacher – The children will get to see a heart dissection (this supports the topic last term). If there is anything I need to be aware of before this session (allergies, religious considerations etc..) then please let me know.

Wednesday 20th March – In school trip/experience – STEMworks whole day computer, science and D/T project (letter to follow soon about this very exciting day!).

Monday 25th March – Hobbs bakery visit to school to make WW2 bread recipe (let me know of any allergies)

2.30pm-3.15pm- Amethyst VE Day celebrations. The children can come dressed in their evacuee costumes again if they want to. We will be presenting songs, learning, art work and sharing baked goods with parents/family members.
