SATs Week 12th – 15th May:

Next week is SATs week in school below is a reminder of the Timetable for tests. We will start the tests each day as soon as everyone is ready, papers have been opened and named. We aim to start by 9:30am. It is vital therefore that your child is in school and on time so they feel settled and ready to go!

What your child will need for SATs week:

- A bottle of water
- A good night's sleep
- Breakfast in the morning (some of the tests don't finish until later than usual break time)

The children don't need to worry about the tests, we will be talking to secondary schools about each child and their abilities in the next few weeks. We have done practice papers earlier in the year and they should be used to the format. The children will do tests in Year 5/6 classrooms, library and we have lots of extra adults to help with reading questions and reassuring the children as needed.
