## Newsletter

### Our learning this week...

#### History

All the children presented their paired learning on an enquiry of their choice. It was enjoyable to watch the presentations and everyone learnt a lot about Vikings and the impact they have had on shaping Britain today.

#### Puberty Lessons

I delivered the year 5 puberty lessons that the children missed in the summer. They were very mature about the subject matter and we watched 2 short films : Boy Talk and Girl Talk as well as discussing the changes they will all go through.

#### Art

The children have finished their watercolour 'creative creatures' and they are now on display.

#### End of Term 1

End of the first term and I am thoroughly impressed with the class and their attitude to learning. Despite being away from school for nearly 6 months, they have approached everything with enthusiasm and are catching up fast with any skills that may have lapsed. I hope everybody has a lovely half term and comes back refreshed and ready for more exciting learning projects.
