

Amethyst Class Newsletter

Our learning this week...

Maths

We have moved onto Fractions this week, starting with simplifying fractions.

Project:

This week we made a large timeline across the classroom and the children hunted for hidden events from the last 100 years and plotted them in decades. They have also been researching and making notes on evacuation.

English:

We are all enjoying our class book: Letters from the Lighthouse and have been retelling part of the story from a different character's point of view.

Year of PHSE:

The drama workshop with 'Big Foot Theatre Company' on Monday, proved very popular with the whole class. The children explored gender stereo typing (see photos below):
