Our learning this week...

End of project outcome – VE Day celebration and learning share with families

It was so lovely to see so many parents and grandparents at our end of project outcome. The children have been learning about VE Day this week and decorated the playground to suit a VE Day style celebration.

All the children made and baked war time rationed rock cake recipes in class. These were enjoyed by the visitors, after they had been entertained by several war time songs. The children, dressed in evacuee costumes, marched around and enjoyed singing to their families.

The children really enjoyed sharing their learning with you and were very proud to show you how well they have all been working this term.

Thank you so much for your donations, we have raised £165.25 to go to the DEC Ukraine appeal. *More Photos on Google Classroom*
