Morfa Bay

The children had a fantastic week at Morfa Bay Adventure. Their behaviour and attitude was exemplary and it was a pleasure to spend time with them. They took part in a range of activities from mud assault course, high ropes, climbing wall, caving, zip-line, hike to Tenby, sea activities, orienteering and abseiling.

Back at school this week, the children have written excellent, amusing recounts of their week at Morfa Bay.

Cycling

The children have done their initial assessment in the playground and are now ready for training on the road next Wednesday.

Panto

We have been learning the songs for our Year 6 Pantomime and the children auditioned for various parts.
