

Amethyst Class Newsletter

This week we have moved on to our Geography unit- with a focus on France. In science lessons, we have begun looking at electrical circuits and Maths this week was learning about simple algebra. The children have finished their dances and all groups presented their dances to the rest of the class.

Key dates coming up:

Art Trail session in class with visiting artist: 4th March 1-3pm

World Book Day: 7th March – Open theme, dress up as any book character from a favourite book.

13th March KLB Science afternoon – Heart dissection! 15th March – Red Nose Day

Coming up Next Week Learning focused	Way to support at home (home learning)
World Book Day Art Trail project Continuing with WW2 project: rationing, war time songs. Geography – Focus on France Balanced arguments. Maths - Interpret and construct pie charts and line graphs	Spelling – homophones, there is a sheet of definitions to complete at home. Continue with the SATs busters, TTRS and lots of reading.

Have a lovely weekend everyone.
