

# Amethyst Class

## Newsletter

### **Project : Where Will Our Journey Take Us?**

We launched our new topic with a paper boat challenge. The children really enjoyed making origami boats, racing them outside in water trays and testing them for how much load they could carry.

### **History**

This term we will be learning about the Anglo-Saxon and Viking Invasions. We have started with plotting key events on a time line over a thousand year period in British history, when Britain was invaded by Romans, Anglo-Saxons, Vikings and finally Normans in 1066! We will be exploring the impact of these invasions on Britain.

### **English**

Our new class book is called 'Floodland' and we have begun by unpicking the first few chapters and starting to collect evidence about Characters.

**Reminder: If you couldn't make the Morfa Bay meeting, there is a pre-recorded Power Point available to watch on Google Classroom.**
