# Amethyst Class Newsletter

## Our learning this week...

### Project Launch: What Makes A Good Leader?

On Tuesday we launched our new project with a powerful people game, where children matched famous leaders with countries they lead (or have lead in the past). The children were then put into their campaign groups and started to make some materials to promote their party.

English: We have started our new class book 'Mortal Engines'

Maths: Our new topic is fractions, decimals and percentages-starting with simplifying fractions.
