If All the World's a Stage.....

The model theatres are nearly finished and we will put them on show during home learning share next Tuesday.

The children have been busy planning a whole school sports event. Each peer group pair have planned a different team-building activity. Next Thursday morning, they will organise and run the event for the whole school.

We look forward to seeing you Monday night at 6pm for our Year 6 Leaver's panto. If Children could arrive at 5.30pm (we will open the doors for the audience from 5.45pm).

Next week the children can wear their leaver's hoodie to school.

They can bring a note book into school to get signatures and on the last day they may bring an old white shirt/t-shirt to school to get signed.
