

# Amethyst Class Newsletter

The children have enjoyed researching their own line of enquiry based on the Vikings this week and will choose how to present their information next week. We have been thinking about adaptation in science and how animals evolve over time to adapt to suit their environment. In maths, we have been learning how to calculate ratio of different amounts.

Thank you to all those who have returned the cycling forms the cycling is now booked for the 18<sup>th</sup>, 19<sup>th</sup> and 20<sup>th</sup> June – bikes need to be in school for these three days.

Coming up Next Week  
Learning focused

Maths-parts of a circle  
English – Planning a narrative.  
Science- Survival of the fittest  
History – Plan own enquiry

Way to support at home (home learning)

Home learning project for Term 5 (due week 2 Term 6)

Choose a mini project on an aspect of Anglo – Saxon life, choose from the following:  
Anglo-Saxon art, culture, Kingdoms, place names or village life.

Present your project how you like, we will share in class at the start of term 6.

Continue with the SATs busters, TTRS and lots of reading.
