### **If all the world's a stage, what will be your part?**

#### **ROMEO and JULIET English**

The children have been writing newspaper reports about the tragic final scene in Romeo and Juliet.

#### **Maths**

This week we have been solving problems with ratio and proportion. The children have applied skills taught really well and it has been great to see them confidently using pictorial methods when finding solutions.

#### **Science**

Evolution Unit- We have been looking at how different species have adapted over time to suit their environment. The children have thoroughly enjoyed creating their own species of animal and writing about how it is adapted to its habitat.
