

Amethyst Class Newsletter

Our learning this week...

Project – Why do people leave their homes?

History/Science/ Jigsaw/ DT

This term we are looking at Healthy bodies, rationing in WW2 and developing cooking skills. We have explored rationing and what impact this had on the health of people in WW2, designed healthy eating plates of food and learnt about different food groups.

English

We have moved onto looking at balanced arguments and will be tying this in with the project next week.

Maths

This week we have been learning how to read and plot co-ordinates.

World Book Day

Amethyst class enjoyed dressing up and parading to the rest of the school. They designed book covers and also had a buddy reading session with Topaz class.
