

Maths

Remember to read 5 x a week!

Home Learning Grid 2

Crystal Class

Term 2 – home learning due on Wednesday 5th December

Carry out a survey (using a tally) to record the different types of post that are delivered to your house i.e. bills, junk mail, letters, parcels, newspapers, cards etc.

Then present the data using a bar chart.

Extension: What does the information presented in the bar chart show you?

Which was the most popular piece of post?

Did anything surprise you?

Who might we communicate with?

Science and Technology

Science: What is a fossil?

Try and describe in simple terms how fossils are formed.

You can choose how to present your learning. You may want to create a poster, design a PowerPoint or build a model?

The Arts
Art & Music

Choose an art technique we have studied (collage, impressionism, pointillism or naïve art) and create a postage stamp.

You could design your own postage stamp or use a current postage stamp design.

The World
RE, PHSE, PE and French

History: Research postal history in the UK.

When did it begin? How has the postal service changed?

You can choose how to present your research.

English

Find a poem you enjoy and write it out in your best handwriting. Think about keeping the size of your letters consistent.

Then design and decorate a border to go around your chosen poem.

Extension: Maybe you could write a poem of your own related to the character in your story?

Tell your teacher about the home learning you have been doing.

- **Ruby** – being aware of others and how what you do or say, might make them feel
- **Emerald** – bouncing back from mistakes and disappointment, and controlling your anger if it tries to get out!
- **Sapphire** – keeping focused and staying in control of the monster distractions
- **Diamond** – being able to notice a problem and thinking of ways to solve it

Which gem powers have you used?
