

## Maths

Create a poster to explain how you can multiply  $24 \times 4 =$

Or

Create a poster to explain how you can multiply  $68 \div 4 =$

Explain step by step how you can solve the problem.

What can you produce?

## English

Write a biography on a grown up member on your family or a famous person. Write about their early life, their family, school and adult life.

You can put each section as a subheading and present it like a report... even with pictures.

Tell your teacher about the home learning you have been doing.

# Home Learning Grid 6

## Crystal Class

Term 6 – home learning is due in on Monday 18<sup>th</sup> July 2018

## Science and Technology

Can you explain how light helps us to see? You can present this learning any way you wish.

## The Arts Art & Music

Can you listen to a range of music (classical, pop, indie, rock, country, reggae or any other type). When you listen, what instruments can you hear? Which was your favourite and why? Its up to you how to present this learning.

## The World RE, PHSE, PE and French

Linking to mental health, it is important to recognise what makes you happy in life. Can you present a range of activities that make you feel good/happy. It is up to you how you wish to present it. You may wish to create something with pictures to show you doing these activities (e.g. riding your bike). Or, you could write a report on this. The choice is yours.

• **Ruby** – being aware of others and how what you do or say, might make them feel

• **Emerald** – bouncing back from mistakes and disappointment, and controlling your anger if it tries to get out!

• **Sapphire** – keeping focused and staying in control of the monster distractions

• **Diamond** – being able to notice a problem and thinking of ways to

Which gem powers have you used?
