

Maths

Design a plan of your own farm.

It must have different fields and barns for the different crops and animals. Please can you measure and calculate the perimeter of the whole farm as well as the fields and barns.

What can you produce?

English

Charlotte has shown great creativity when building her spider web. Linking writing and shapes, can you write your own shape poem? It needs to be linked with our new project. It could be about an animal or the farm itself or plants/crops – the choice is yours. The only rule is that your poem must be written in the shape of whatever you are writing about.

Tell your teacher about the home learning you have been doing.

# Home Learning Grid 5

## Crystal Class

Remember to read 5 x a week!

Term 5 – home learning share for children and parents is on Thursday 24<sup>th</sup> May (3:00-3:25pm)

**STEM**  
Science and Technology

Linking to our learning on Rocks and Soils can you provide information about how fossils are made? This can be presented however you wish. It could be a leaflet or diagram, a story, poster or even a 3D model. There are plenty of choices – it's up to you!

**ARTS**  
The Arts  
Art & Music

One of the world's big concerns is how we recycle our waste packaging. In an attempt to be creative with our waste packaging, you could research different artists who use recycled materials and then try to make your own. I can't wait to see what you create.

**The World**  
RE, PHSE, PE  
and French

Pick 2 different countries within Europe (one cold and one hot). Can you research and present the difference in their agricultural methods (how and what they farm).

-  **Ruby** – being aware of others and how what you do or say, might make them feel
-  **Emerald** – bouncing back from mistakes and disappointment, and controlling your anger if it tries to get out!
-  **Sapphire** – keeping focused and staying in control of the monster distractions
-  **Diamond** – being able to notice a problem and thinking of ways to

Which gem powers have you used?
