

Crystal

We've had a great first two weeks in Crystal class with the children seeming to settle back into school quickly. It has been lovely getting to know the children, we are having a brilliant time so far in year 3!

We had our **wow day** for our new project 'Will it be a good mix?' where we enjoyed sharing the first chapter of our reading for pleasure book *George's Marvellous Medicine*. We then had the task of creating our own marvellous mixtures (fruit smoothies!) in teams. After designing and thinking up creative names we made and tasted our marvellous mixes and seeing if we could guess what was in our smoothies. At the end of the day, we found out that diet coke and Mentos do not make a good mix!

In **Maths** we have started learning about place value by recapping tens and ones in 2digit numbers before moving on to find the hundreds, tens and ones in 3digit numbers. In **English** we are looking at non chronological reports and are researching Roald Dahl. In **Art** we enjoyed looking at Quentin Blake's work and created artist study page. We're looking forward to having a go at Quentin's style of drawing in our Art lessons this term. In **PE** we are learning ball skills and invasion games as well as also polishing up our English country dancing skills.

Key dates/notices coming up:

Reading records in on Fridays and mathematics to be completed

Spelling books to be in on Wednesdays

Coming up next week
Learning focused

Conjunctions in a sentence

10 more 10 less
100 more 100 less
3,4,8 times tables

Way to support at home (home learning)

Discuss ways sentences can be joined together (and, because, as, so etc..)

Practice adding 10 more 10 less to 2 digit and 3 digit numbers

The same with 100 with 3 digit

Practice times tables on ttrs
